**MOTION FOR TELECONFERENCE TO RESOLVE DISCOVERY DISPUTE**

Defendants Walmart Inc. and Wal-Mart Stores East, LP (collectively, “Walmart”) respectfully move this Court to schedule a hearing to address outstanding disputes regarding the following discovery matters:

1. Walmart’s request that the United States fully respond to Interrogatory No. 1 and Request for Production No. 6 by identifying now each prescription that forms the basis of each of the United States’ claims for civil penalties under 21 C.F.R. §1306.04, as opposed to (a) waiting until expert discovery to identify those prescriptions and (b) going beyond the claims pled to add more prescriptions during expert discovery.
2. Walmart’s request that the United States produce documents responsive to Request for Production No. 5 relating to any investigation, enforcement, or disciplinary action concerning the prescribers who wrote the prescriptions for which the United States is seeking civil penalties, regardless of the United States’ intent to present evidence about those prescribers to support its claims.
3. Walmart’s request that the United States produce documents from select federal agencies that are likely to have information responsive to Walmart’s Requests for Production, instead of the United States’ contention that these federal agencies are not subject to party discovery in this litigation.
